REQUEST FOR PROPOSALS

I. INTRODUCTION

A. General Information

1. Background. The Virgin Islands Public Finance Authority (the “Authority”), a blended component of the Government of the US Virgin Islands, was created by the Virgin Islands Act No. 5365 (the “Act”), The Government Capital Improvement Act of 1988, for the purposes of aiding the Government of the Virgin Islands (the “Government”) in the performance of its fiscal duties and in effectively carrying out its governmental responsibility of raising capital for essential public projects. Under the enabling legislation, the Authority is vested with, but not limited to, the following powers: (i) to have perpetual existence as a corporation, (ii) to borrow money and issue bonds, (iii) to lend the proceeds of its bonds or other money to the Government or any Agencies, authority or instrumentality thereof, and to private entities, (iv) to establish one or more revolving loan funds with the proceeds of bonds issued by the Authority or issued by the Government or any Agencies, authority or instrumentality thereof and, (v) to invest its funds and to arrange for the investment of the funds of the Government or any Agencies, authority or instrumentality thereof. Pursuant to Section 8(b)(i) of the Revised Organic Act, the Government may issue revenue bonds for public improvements or undertakings authorized by an act of the Legislature, without limitation as to principal amount. The Authority also provides property management services as discussed further below under Activities of the Authority.

Activities of the Authority

The Authority performs a financial management function for the Government of the Virgin Islands consisting of the following activities:

Operations: Issues debt instruments and loans the proceeds to the Government. Manages the proceeds from debt issuances on behalf of the Government. Provides overall investment and debt service fund administration and manages the administrative activities of the Authority.

Office of Economic Opportunity (“OEO”): Oversight of the activities attributable to the American Recovery and Reinvestment Act of 2009 (“ARRA”) formed on June 12, 2009. OEO is a business unit of the Authority.

The Frederiksted Mall (“TFM”): Property management related to a shopping center located in Frederiksted, St. Croix under a 20-year lease agreement that was renewed on March 21, 2016.

Office of Disaster Recovery (“ODR”): Established in February 2019 to administer broad oversight of the disaster recovery efforts and activities attributable to Hurricanes Irma and Maria in September 2017 and ensure full compliance of regulations in managing and monitoring project funds, expenditures, and timelines. ODR is a division of the Authority.

Tobacco Settlement Financing Corporation (“TSFC”): Established by the Government of the United States Virgin Islands pursuant to the Tobacco Settlement Act of 2000. The Corporation is formed for the lawful public purposes of purchasing all of the Government’s rights, title and interest in certain payments received and to be received by the Government under the Master Settlement Agreement as defined by the Act. The Authority manages all the administrative operations of the TSFC.

Matching Fund Special Purpose Securitization Corporation (“MFSPSC”): Established by the Government of the United States Virgin Islands pursuant to the Matching Fund Special Purpose Securitization Act of 2022, effective February 8, 2022, for the purpose of issuing the 2022 Matching Fund Securitization Bonds and for acquiring all of the rights, title, and interest in the Matching Fund Receipts that would have been paid to the Government and issuing the Matching Fund Securitization Bonds. The Authority manages all the administrative operations of the MFSPSC.

Subsidiary Corporations:

The West Indian Company Limited (“WICO”): Property management activities related to the management of the WICO, a blended component unit, consisting primarily of servicing cruise ships owned by established shipping lines.

Virgin Islands Next Generation Network (“viNGN”): Operating entity in connection with the broadband expansion project formed on March 8, 2010, a blended component unit of the Authority. viNGN was incorporated on October 22, 2010, and its articles of incorporation were duly filed with the Office of the Lieutenant Governor of the United States Virgin Islands on October 12, 2010.

Lonesome Dove Petroleum Company (“LDPC”): A Texas Corporation that was placed into receivership by the District Court of the Virgin Islands and subsequently, the Legislature of the Virgin Islands passed Act 7864 in April 2016 authorizing the Virgin Islands Public Finance Authority to receive, hold and manage its shares.

King’s Alley Management Inc.: King’s Alley Management Inc. (“KAMI”) was incorporated in June of 2001 after the Authority acquired the King’s Alley Hotel (the “Hotel”). The Authority acquired the Hotel in 2001 after a developer defaulted on a loan given from a 1994 Authority bond issue proceeds set aside for ventures with the private sector. In March of 2022, the Hotel was sold, however the entity KAMI is still in legal existence.

The Authority exercises control over the four blended component units: WICO, viNGN, KAMI, and LDPC. WICO and viNGN are governed by separate boards and do not directly provide services to the Authority. KAMI's Board is comprised of members of the Authority's Board, and the Officers and Directors of Lonesome Dove are members of the Authority's Board. Note that viNGN has significant transactions with the Authority in the form of loans and federal grant sub-recipient funding.

The Authority shall have no liability relating to or arising from any such information or the use thereof. Respondents are encouraged to conduct
